**Thomas "Tom" as reported by his wife, was mischievous, fun loving, and liked to race cars. He wrote to his wife almost everyday. She received his last letter shortly after the accident. His son was born on 24 July 1969. His son was one of the recipients of the special fund originated by the Australians. He was the ship's barber. His wife watched the ship deploy in March 1969. Thomas was asleep in 1<sup>st</sup> Division at the time of the collision.**
